

LIFE IN HD

The prayers suggested here, in addition to the diary of intercessions, are drawn from Dean Eric Milner White's "Procession of Passion Prayers", (long out of print, I think), and also his "My God, my Glory"; offered in the hope that others may find them as profound as I have done over the years. They seem appropriate not just for the church season but also as we pray our concerns for our troubled nation and wider world.

HEXHAM DEANERY DIARY – APRIL 2019

BIG NEWS

The Deanery Pilgrimage continues after the great time we had in Alston parish last June. This year we are planning another two-day pilgrimage which will complete the first circumnavigation of the deanery churches. We are yet to finalise the route, but overall we are planning Greenhead to Warden over the two days, Friday 14 and Saturday 15 June. The walk will call at each church where there will be linked exhibitions of a Christian Aid project we are looking to support. This project works with displaced persons who are refugees in their own country, for example in Kenya, Nigeria and Iraq.

We hope that all parishes will have pilgrims who join in – it truly was great last year, walking and talking with friends and new friends. One of the highspots was the middle evening we spent in Alston, and we are hoping to do similarly in Haydon Bridge, possibly at The Sill. In order to make this happen we will need to have a fairly clear idea of numbers. Staying over is as optional; as joining the pilgrimage itself, but it does add another dimension to the event.

If you would like to know more please contact David on 01434 608882 or by email r.david.ratcliff@gmail.com. We will need to make bookings at The Sill very quickly, especially if we have a large number. **Please spread the word! The need to book is getting nearer every day.**

Hexhamshire Garden Trail 2019

It's the start of a new year and we have just started planning the garden trail in aid of St Helens for this year. The date is 23 June, a little later than previously, but with any luck we will be blessed with good weather. Fifteen generous owners have once again agreed to open their gardens for the day.

Some you may have visited before others will be completely new. As before each garden will show what can be done with their own particular plot given soil, altitude and time. Each garden has its own particular challenges to overcome, be that pests, predators or pernicious weeds and all visitors will both enjoy the garden that they see and learn from the challenges faced.

As usual there will be plant and cake stalls so gardeners please bear the trail in mind when you are tidying up your garden, dividing plants or as I did last week find a shrub that has layered itself. We would welcome any contributions to these stalls.

Any organisation is always looking for new blood and this year we would be very grateful if someone who is familiar with social media could join the team to help spread the word.

For more information or to offer your services as a garden opener or helper please contact Jenny Stirling on 01434 600509 (there is an answer phone) or jenny@queensleth.com
